# RED or BLUE

A 2D puzzle platformer game with a twist!

by Daniel Cetlin, Mohsin Rizvi, Ralfi Salhon, Tommy Tang, and Tommy Zhu

- You are a teenager kid in his dream!
- You have powers thanks to your 3D glasses that lets you control which color objects you can see!
- **Block certain colors to hide the clothes of your bullies - make them vulnerable!**
- **Use the colors to your advantage to solve puzzles!**
